

Minutes from the Borrowby Parish Council Meeting held on Thursday 29th June 2017 at 8.00 pm in Borrowby Village Hall

1. Apologies

The Chairman welcomed everyone to the Meeting. No apologies were received.

Present: The Chairman (Cllr F Wachsberger), the Vice Chairman (Cllr D Craig), Cllr D Bell, Cllr E Town, Cllr J Dack, the Clerk, County Cllr Gareth Dadd, District Cllr B Baker and six members of the public.

2. Minutes from Previous Meeting

The minutes from the Parish Council Meeting held on Thursday 25th May, which were previously circulated, were agreed and signed.

3. Matters Arising

3.1 Dogs – The Chairman asked if anyone had seen dogs running loose in the village; Cllr Bell said he had not seen any.

3.2 Footpath leading to iron bridge – Borrowby footpath walker, John Haigh, had reported to the Parish Council about some fencing that had been put up along the footpath. Cllr Craig said that he thought that it should be ok as long as the footpath was not obstructed. Mr Haigh said that the hedge had grown so much along the path that about a metre width of path had been lost. District Cllr Baker said the correct width for the path was 1.5 metres. To monitor.

4. Update from County and District Councillors if present

District Cllr Bob Baker – He said that building work was underway at the leisure centre and said a new 24 hour gym is being built. He said a hedge near Crosby Manor was to be cut back in the next few weeks. The high fence put up at the Woundales was mentioned it was decided to monitor the situation.

County Cllr Gareth Dadd – He said they were waiting for Government direction on the social policy and assuming business was as usual. A site meeting is to be arranged with the school, police, care home and Knayton Parish Council to discuss the parking problem near the school. A stipulation of the care home was that it had to provide on-site parking. The Chairman suggested using the field behind the school for parking and possibly any additional school buildings. C Cllr Dadd said it was a good idea but the financial cost would be too much and pupil numbers are variable. It was also said that the person who owns the field is unlikely to want to sell it. The Chairman said that the parked vehicles are making cars cross the solid white line which is an offence. Cllr Dadd said we would see what emerges from the meeting.

Cllr Bell asked about the fence needing repairing at the Woundales near the beck and Cllr Dadd said he would be in touch with him about it.
